Frequently asked questions: Our upcoming rebrand to Wellpoint

Why is Amerigroup Iowa, Inc. changing its name to Wellpoint?

Our parent company, Elevance Health, is streamlining and simplifying the complexity of our health plan and service businesses to reduce the number of brands we have in the market, so our partners and customers clearly understand where we serve, who we serve, and what our brands do.

Wellpoint is a name that has been part of our heritage for more than 30 years, so it may be familiar for some — but more importantly, it is a name that perfectly fits with our vision for our brand to be a source of lasting wellness for our consumers at all points in their health journey. Wellpoint Iowa is our health plan name.

When you select the payer tile, you will be redirected to the payer space which will be Wellpoint branded beginning on December 9, 2023:

- The Amerigroup payer space will be branded Wellpoint.

Aside from these branding changes, **how you use and interact with payer spaces will be exactly the same.**

Are EDI payer IDs changing?

Yes. The current Amerigroup payer ID (26375) will change to a new Wellpoint payer ID (WLPNT).

- While you may see the new payer ID as early as December, you can continue using the current Amerigroup payer ID until January 1, 2024.
- Starting on January 1, 2024, WLPNT will be the new payer ID.
- We will continue to accept both the old Amerigroup payer ID (26375) and the new Wellpoint payer ID (WLPNT) after January 1, 2024.
- The Amerigroup payer ID (26375) is not terminating but we do request providers transition to the new Wellpoint payer ID (WLPNT).

My group/practice does business in multiple states for Amerigroup. What if I receive remits for multiple markets with both Wellpoint and Amerigroup payer IDs?

I submitted a claim under the old Amerigroup payer ID (26375) in 2023, but it was adjusted after January 1, 2024. Which payer ID will I see?

Previously paid claims that are adjusted after January 1, 2024, will return with the new Wellpoint (WLPNT) payer ID.

How do I change the payer ID?

Changing the payer ID from Amerigroup (26375) to Wellpoint (WLPNT) depends on how you submit your claims.

If you use a third-party vendor such as a Clearinghouse, work with your vendor to ensure they are submitting your files to Availity with the new Wellpoint (WLPNT) EDI payer ID. The EDI file with the updated, new payer ID will usually come from the vendor.

If you have your own practice management software with a direct connection to Availity, you will need to work with your vendor or in-house EDI software representative to update the payer

ID on your end. Availity is working directly with trading partners, including clearinghouses and direct connections, to ensure a seamless transition.

If I use the Amerigroup payer ID (26375) after January 1, 2024, will my claim/EDI file be rejected?

No. If you or your vendor submit an electronic claim with the old Amerigroup payer ID (26375) after January 1, 2024, the EDI file will not reject. While the Amerigroup payer ID (26375) will still be valid for select plans after January 1, 2024, we ask that you begin using the WLPNT EDI payer ID to reflect the new Wellpoint plan name.

If I currently work with Amerigroup, will I be required to re-enroll in Wellpoint (WLPNT)?

No. You will not have to reenroll. You will be automatically enrolled in Wellpoint (WLPNT).

Are there any impacts to the Availity provider enrollment process?

You will notice a new payer ID and health plan/payer name starting on January 1, 2024. Other than that, the provider enrollment process will remain the exact same:

- When you search for health plan (payer), you will notice the new WLPNT payer ID along with a joint Wellpoint-Amerigroup name.
- If you search for Amerigroup after January 1, 2024, you will need to select the joint Wellpoint-Amerigroup payer name.

Two health plans are selected: "WELLPOINT-AMERIGROUP" (Payer ID: WLPNT) and "AMERIGROUP (Payer ID: 26375)". A note below states "A maximum of 10 health plans can be selected."
