Welcome to Wellpoint

At Wellpoint, we're proud to offer you coverage for quality health care services. This book will help you and your Wellpoint primary care provider (PCP) work together.

Wellpoint helps you with all your healthcare needs

We help you get coverage for important care and services with doctors and hospitals near you. You may keep your current PCP if they are in our network, or you can choose a PCP from this book.

With Wellpoint, you get all your regular benefits, like:

- Services from a network PCP you choose.
- Prescription coverage.
- Hospital and specialist referrals.
- Vision care for children under age 21 with one yearly eye exam, eyeglasses, or contact lenses (if there is a medical reason that eyeglasses will not work).
- Immunizations (shots).
- Well-child and well-adult checkups.

Wellpoint gives you more

You also get extra Wellpoint benefits at no cost to you, like:

- Extra eye care: Members ages 21 and older get one eye exam every year and eyeglasses or contact lenses every two years.
- An extra over-the-counter (OTC) benefit of \$30 worth per member for OTC drugs like cough syrup and pain relievers every three months.

You also get your Wellpoint ID card and special member materials.

Supporting cultural competency

Wellpoint members come from diverse cultures. We encourage our providers to learn more about them. This helps provide healthcare based on your background. Look for the  icon in this book to find a provider who can help meet your needs.
