

Do your patients currently have health insurance through Medicaid or the Maryland Children’s Health Program (MCHP)?

This year, Medicaid renewals are **not** automatic.

- Ask your patients to make sure their contact information is up to date with Maryland Health Connection.
- Encourage them to be on the lookout for notices, as they will be contacted by mail or through their online account when it’s their turn to renew.
- And please stress the importance of completing renewals on time. Participants can log in to their account at MarylandHealthConnection.gov/Checkin or call 855-642-8572 to get started.

Providers will be able to access patient redetermination dates via EVS and CRISP.

Help get the word out about the Medicaid Check-In. Visit <https://health.maryland.gov/mmcp/Pages/MedicaidCheckIn-Providers.aspx>.

If your patient qualifies for coverage because they are aged, blind, disabled, or enrolled in a Home and Community-Based Services program, they can contact the Department of Human Services to update their contact information.

Participants can log into their account at Mymdthink.maryland.gov, or they can contact their local [Department of Social Services](#) to get started.
