EVV Policy Training for CDS Employers Now Available in Spanish

The computer-based training course, [Initial EVV Policy Training for CDS Employers](#), is available in Spanish on the HHS Learning Portal.

The policy training is tailored to the selection on [Form 1722, Employer Selection for Electronic Visit Verification Responsibilities](#). Registrants are not required to complete the Form 1722 Pre-Course Survey. Follow the instructions throughout the course to complete and receive certification.

To translate the HHS Learning Portal to Spanish, select *Español* from the drop-down menu in the upper left-hand corner of the webpage.

Email the [HHSC EVV Mailbox](#) for questions about EVV policy training.
