## **Providers Using EVV Vendor MEDsys Must Initiate Transition to DataLogic by July 31, 2018**

HHSC is working in collaboration with MCOs, MEDsys and DataLogic to transition all providers in phases before the MEDsys contract expires on Nov. 6, 2018. The contract **will not be extended** or renewed.

To remain compliant with EVV requirements, all Providers currently using the MEDsys VinCENT EVV system **must complete** transition to the HHSC-approved EVV vendor DataLogic Vesta EVV system by September 30, 2018 but **must start** the transition process before July 31, 2018 to allow time for completion by the required date.

## **ACTION REQUIRED:**

- 1. Initiate the transition process with DataLogic. Providers currently using MEDsys must complete the <u>Vesta EVV Agency Information Form</u>.
- 2. Submit the form by July 31, 2018 by <u>email</u> at info@vestaevv.com or fax to 956.412.1464.
- 3. DataLogic will contact the Provider agency representative to begin transition activities.

## Additional transition information will be coming soon related to:

- Vesta training sessions
- Visit maintenance
- Streamlined transition processes
- MEDsys data transfer to DataLogic

Contact HHSC EVV at <u>Electronic Visit Verification@hhsc.state.tx.us</u> for questions regarding this notice.

*Provider agencies that are not required to use EVV (i.e., Private Duty Nursing services) are not required to sign up with DataLogic at this time.*
