

<p>137. What is the final determination on the use of the ET modifier to indicate crisis?</p>	<p>HCA will revisit this with the MCOs and BHOs to resolve.</p>
<p>138. The SGIA fund is mentioned in the SERI guide under sobering services (pg. 114). What is this fund?</p>	<p>This stands for State Grant-in-Aid. We believe this is a former funding source that used to fund sobering services, but is not a current fund source. That said, we've carried it through in the SERI guide and will remove it in future release.</p>
