A provider's listing in the directory does not ensure that the provider is still working with Wellpoint or taking new members.

The providers in our plan may have changed since this directory was last printed. Some new providers may have joined our plan. And some may have left our plan. To see a current listing of our providers, you can search our online provider directory. Go to **wellpoint.com/tn/medicaid**. Just click on **Find a Doctor**. This will let you search for doctors, providers and long-term supports and services. You can also call Member Services at **833-731-2153**. A representative can help you find a provider.

If you have an emergency, call **911** or go to the nearest emergency room.

El perfil de un proveedor en el directorio no garantiza que el proveedor sigue trabajando con Amerigroup o que esta aceptando nuevos miembros.

Los proveedores de nuestro plan pueden haber cambiado desde la ultima edición de este directorio. Es posible que haya nuevos proveedores en nuestro plan. Y algunos pueden haberse salido. Para ver una lista actualizada de nuestros proveedores, puede consultar nuestro directorio de proveedores en línea. Visite **wellpoint.com/tn/medicaid**. Simplemente haga clic en **Encontrar un doctor**. Esto le permitira buscar doctores, proveedores y apoyos y servicios de largo plazo. Tambien puede llamar a Servicios al Miembro al **833-731-2153**. Un representante le puede ayudar a encontrar un proveedor.

Si tiene una emergencia, llame al **911** o vaya a la sala de emergencias mas cercana.

Important information about your Wellpoint health plan

Welcome to the Employment and Community First CHOICES program! We're here to help you take care of your physical health, behavioral health, and long-term services and supports. We're also here to help you create and reach your employment and community living goals.

Use this directory to find local doctors, hospitals, and specialists near you. This directory only lists providers in your region. You can always see a network provider even if that provider is not in your region.

You and your support coordinator

With Employment and Community First CHOICES, you get a support coordinator. This person will get to know you — what you need and what you want in life.

Your person-centered support plan

Your support coordinator will:

- Work with you to see what your needs are, and find services to meet your needs.
- Work with you to make your plan.
- Invite the friends or family members who you want to help you create your plan.
- Look at your plan at least once a year, and see if you need any changes.

The right services

Your support coordinator will:

- Help you meet your self-identified quality of life goals.
- Work with you to get the right kind of care to help you live the life you want.
- Help solve issues you have with your services.
- Make sure the services you're getting are right for you.
- Talk with your providers to make sure they know what's going on with your services.
- Check to make sure you're getting what you need, and gaps in services are taken care of right away.

Finding a job that's right for you

We want to help you find a job that's right for you. We have lots of services that can help you with this process.

Exploration — This helps you decide if you want to work and what kind of job you might like. You'll get to tour businesses to find out more about where you might want to work.

Discovery — We'll help you find the kinds of work you want to do and what skills you bring to your work. We'll use this to help you make your plan to get a job or start your own business.

Situational observation and assessment — You get to try jobs and see what they're like. This will help you know what you need to do to get ready for those jobs.

Job development plan — This is a plan to help you meet your job goals. We'll work with you to create this plan.

Self-employment start-up — Some members choose to be self-employed (work for themselves). If this is what you want to do, we will work with you to create a self-employment plan.

Job coaching — If you need a job coach, we will provide you with one until you're ready to do the job on your own or with the help of your co-workers.

Co-worker supports — We can pay a co-worker to help you at your job instead of a job coach.

Career advancement — If you already have a job, we can help you move up in your job or earn more money.

Small group supported employment — This is a job where you can work in a small team within a company.

Benefits counseling — We can help you understand how the money you earn from working will impact your other benefits like Social Security and TennCare.

Integrated employment path services — These are trainings to help you get ready for work in the community. This will help you when you're looking for a job.

You'll also get services like:

- Trainings to help learn new things so you can live on your own.
- Rides to your services, job interviews, work, and other places in the community.
- Classes, volunteer activities, and more to help you get and stay involved in the community.

Long-term services and supports

As an Employment and Community First CHOICES member, we also help you get the long-term services and supports you need. These services may include:

- Personal assistance — Helping you with day-to-day tasks like getting dressed, eating, and more.
- Supportive home care — Helping you with day-to-day tasks in your home or community.
- Family caregiver stipend — Instead of getting supportive home care, your family can get a monthly sum of money to offset the cost of other services.
- Community living supports — Choose to live in your own home knowing you'll have support with activities so you can live and get involved in the community.
- Assistive technology, enabling technology, adaptive equipment, and supplies — Items to help you live more independently at home or in your community.
- Specialized consultation and training — We'll help pay for special training and assistance such as occupational therapy, physical therapy, and behavioral analysis.
- Family caregiver education and training — We'll also pay for trainings and classes for your family caregivers to help them.
- Adult dental services.
- Family-to-family support — Connecting with other families who are also supporting a family member with an intellectual or developmental disability.
- Peer-to-peer support — Help and advice from another person with disabilities who has training to help you and can answer your questions.
- Community support development, organization, and navigation — Connecting to resources to make friends and build a support system.
- Decision making supports counseling and assistance — We can help you understand the options you have to protect your rights while getting the support you need.

In addition, you get all your regular TennCare physical and behavioral health benefits, including:

- A large network of nearby doctors, providers, and convenient hospitals.
- Rides to doctor visits or other medical appointments.
- Your own doctor — a primary care provider (PCP) you choose.
- Access to a full range of specialists when referred by your PCP.

Not all services are available for every group. See your member handbook for a full list of benefits. Questions? Call Member Services at **833-731-2153** (TRS 711) or talk with your support coordinator.

- Immunizations (shots).
- Wellness checkups.
- Low-cost prescriptions.
- Limited vision care.
- Answers to your medical questions and concerns 24 hours a day with our 24-hour Nurse HelpLine.

Información importante referente a su plan de seguro médico de Wellpoint

¡Bienvenido al programa Employment and Community First CHOICES! Estamos aquí para ayudarle a cuidar su salud física, su salud mental, y sus servicios y apoyos de largo plazo. También estamos aquí para ayudarle a crear y alcanzar sus objetivos de empleo y de vida en la comunidad.

Use este directorio para buscar doctores, hospitales y especialistas cerca de usted. Este directorio solo enumera los proveedores de su región. Siempre puede acudir a un proveedor de la red, incluso aunque ese proveedor no se encuentre en su región.

Usted y su coordinador de apoyo

Con Employment and Community First CHOICES, usted cuenta con un coordinador de apoyo. Esta persona llegará a conocerle — lo que necesita y lo que quiere en la vida.

Su plan de apoyo centrado en la persona

Su coordinador de apoyo:

- Colaborará con usted para determinar cuáles son sus necesidades y encontrar servicios para satisfacerlas.
- Colaborará con usted para elaborar su plan.
- Invitará a los amigos o familiares que usted quiera que le ayuden a crear su plan.
- Examinará su plan por lo menos una vez al año para ver si necesita algún cambio.

Los servicios adecuados

Su coordinador de apoyo:

- Estará pendiente de que usted reciba lo que necesite y que se resuelva de inmediato cualquier falta en la atención.

Encontrar un trabajo que sea adecuado para usted

Queremos ayudarle a encontrar un trabajo que sea adecuado para usted. Ofrecemos una gran variedad de servicios que le pueden ayudar con este proceso.

Exploración — Esto le ayuda a decidir si quiere trabajar y qué tipo de trabajo podría gustarle. Usted tendrá la oportunidad de visitar empresas para averiguar más sobre lugares donde quizás desearía trabajar.

Descubrimiento — Le ayudaremos a determinar el tipo de trabajo que quiere hacer y las habilidades que puede aportar en su trabajo. Utilizaremos esto para ayudarle a preparar un plan para conseguir un trabajo o abrir su propio negocio.

Observación y evaluación de la situación — Usted podrá probar puestos de trabajo para ver cómo son. Esto le ayudará a saber lo que debe hacer para prepararse para esos trabajos.

Plan de desarrollo laboral — Se trata de un plan para ayudarle a lograr sus metas de trabajo. Colaboraremos con usted para crear este plan.

Puesta en marcha de su propio negocio — Algunos miembros deciden trabajar por cuenta propia (tener su propio negocio). Si esto es lo que usted quiere hacer, colaboraremos con usted para crear un plan para su propio negocio.

Asesoramiento laboral — Si necesita un asesor laboral, le proporcionaremos uno hasta que esté listo para hacer el trabajo por su cuenta o con la ayuda de sus compañeros de trabajo.

Apoyos de compañero de trabajo — Podemos pagarle a un compañero de trabajo para que le ayude en su trabajo en lugar de contratar a un asesor laboral.

Avance laboral — Si ya tiene un trabajo podemos ayudarle a avanzar en su trabajo o ganar más dinero.

Empleo respaldado por un grupo pequeño — Este es un trabajo en el que puede trabajar en un pequeño equipo dentro de una empresa.

Asesoramiento sobre beneficios — Le podemos ayudar a entender el impacto que tendrá el dinero que gana trabajando sobre sus otros beneficios como el Seguro Social y TennCare.

Servicios integrados para la trayectoria laboral — Esto se refiere a entrenamientos para ayudarle a prepararse para el trabajo en la comunidad. Esto le ayudará cuando esté buscando trabajo.

- Transporte a sus servicios, a entrevistas de trabajo, a su trabajo y a otros lugares en la comunidad.
- Clases, actividades de voluntariado, y más para ayudarle a involucrarse y mantenerse involucrado en la comunidad.
