Integrated managed care

As of January 1, 2019, the majority of the state's Apple Health programs combined physical and behavioral health into integrated managed care. With integrated managed care, Apple Health will coordinate behavioral health services instead of a Regional behavioral health organization (BHO).

Behavioral health treatment in a clinic is available through Wellpoint. To access these services, contact us directly.

North Sound began integrated managed care on July 1, 2019.

Three regions waited to combine physical and behavioral health until January 1, 2020:

- Great Rivers
- Salish
- Thurston-Mason

El tratamiento de la salud del comportamiento en una clínica está disponible a través de Wellpoint. Para acceder a estos servicios, comuníquese con nosotros directamente.

North Sound comenzará el cuidado administrado integrado el 1 de Julio de 2019.

You don't need a referral from your PCP to see behavioral health specialists in your plan.

To find out more about your benefits, go to **wellpoint.com/wa/medicaid**.

How to choose your PCP

Apple Health and Apple Health Integrated Managed Care members need a primary care provider (PCP). This is your main doctor who will give you most of your care. We can help you choose your PCP.
