Integrated managed care

As of January 1, 2019, the majority of the state's Apple Health programs combined physical and behavioral health into integrated managed care. With integrated managed care, Apple Health will coordinate behavioral health services instead of a Regional behavioral health organization (BHO).

Behavioral health treatment in a clinic is available through Wellpoint. To access these services, contact us directly.

North Sound began integrated managed care on July 1, 2019.

Three regions waited to combine physical and behavioral health until January 1, 2020:

- Great Rivers
- Salish
- Thurston-Mason

El tratamiento de la salud del comportamiento en una clínica está disponible a través de Wellpoint. Para acceder a estos servicios, comuníquese con nosotros directamente.

North Sound comenzará el cuidado administrado integrado el 1 de Julio de 2019.

Apple Health members get behavioral health or substance use disorder care through any of the below:

- Your primary care provider (PCP)
- A plan community mental health center or substance use disorder agency
- Another behavioral health or substance use disorder provider in your plan

You don't need a referral from your PCP to see behavioral health specialists in your plan.

There are some treatments and services that need preapproval before you can get them. To learn more, talk to your doctor.

To find out more about your benefits, go to wellpoint.com/wa/medicaid.

How to choose your PCP

Apple Health and Apple Health Integrated Managed Care members need a primary care provider (PCP). This is your main doctor who will give you most of your care. We can help you choose your PCP. Use this directory to find a PCP nearby who accepts new patients. If you need help finding a PCP, you can:

- Call Member Services at **833-731-2167** (TTY **711**).
- Search for a provider using our online **Find a Doctor** tool at wellpoint.com/wa/medicaid.

Your PCP will:

- Give you all the basic health services you need.
- Send you to other doctors or hospitals when you need special healthcare.

How to get OB/GYN services

You can see a plan OB/GYN without a referral from your PCP for services like:

- Well-woman visits.
- Pregnancy care.
- Care for any female medical condition.
- Family planning.

You may also be able to choose an OB/GYN as your PCP. Call Member Services at **833-731-2167** (TTY **711**) and tell us the name of the OB/GYN you want as your PCP.

How to help your children stay healthy

Babies and children need more care to get a good start in life. That's why it's important for children to get well-child checkups on time. Your member guide tells you how often children should see their PCP for wellness visits. These visits also help doctors find health problems early when it's easiest to take care of them. During a wellness visit, your child will get things like:

- Physical exams
- Immunizations (shots).
- Tests for TB, lead, and other health problems.
- Eye and ear tests.

- Agrees you need special care for a specific condition.
- Will send you to a doctor that specializes in your problem, like a/an:
 - Allergist (for allergy problems).
